Ponders End, Middlesex.

London Showrooms :
123/5, Queen Victoria Street, E.C.4
71, Victoria Street, S.W.1

Full list of Depots is given on page 16.

FOREWORD

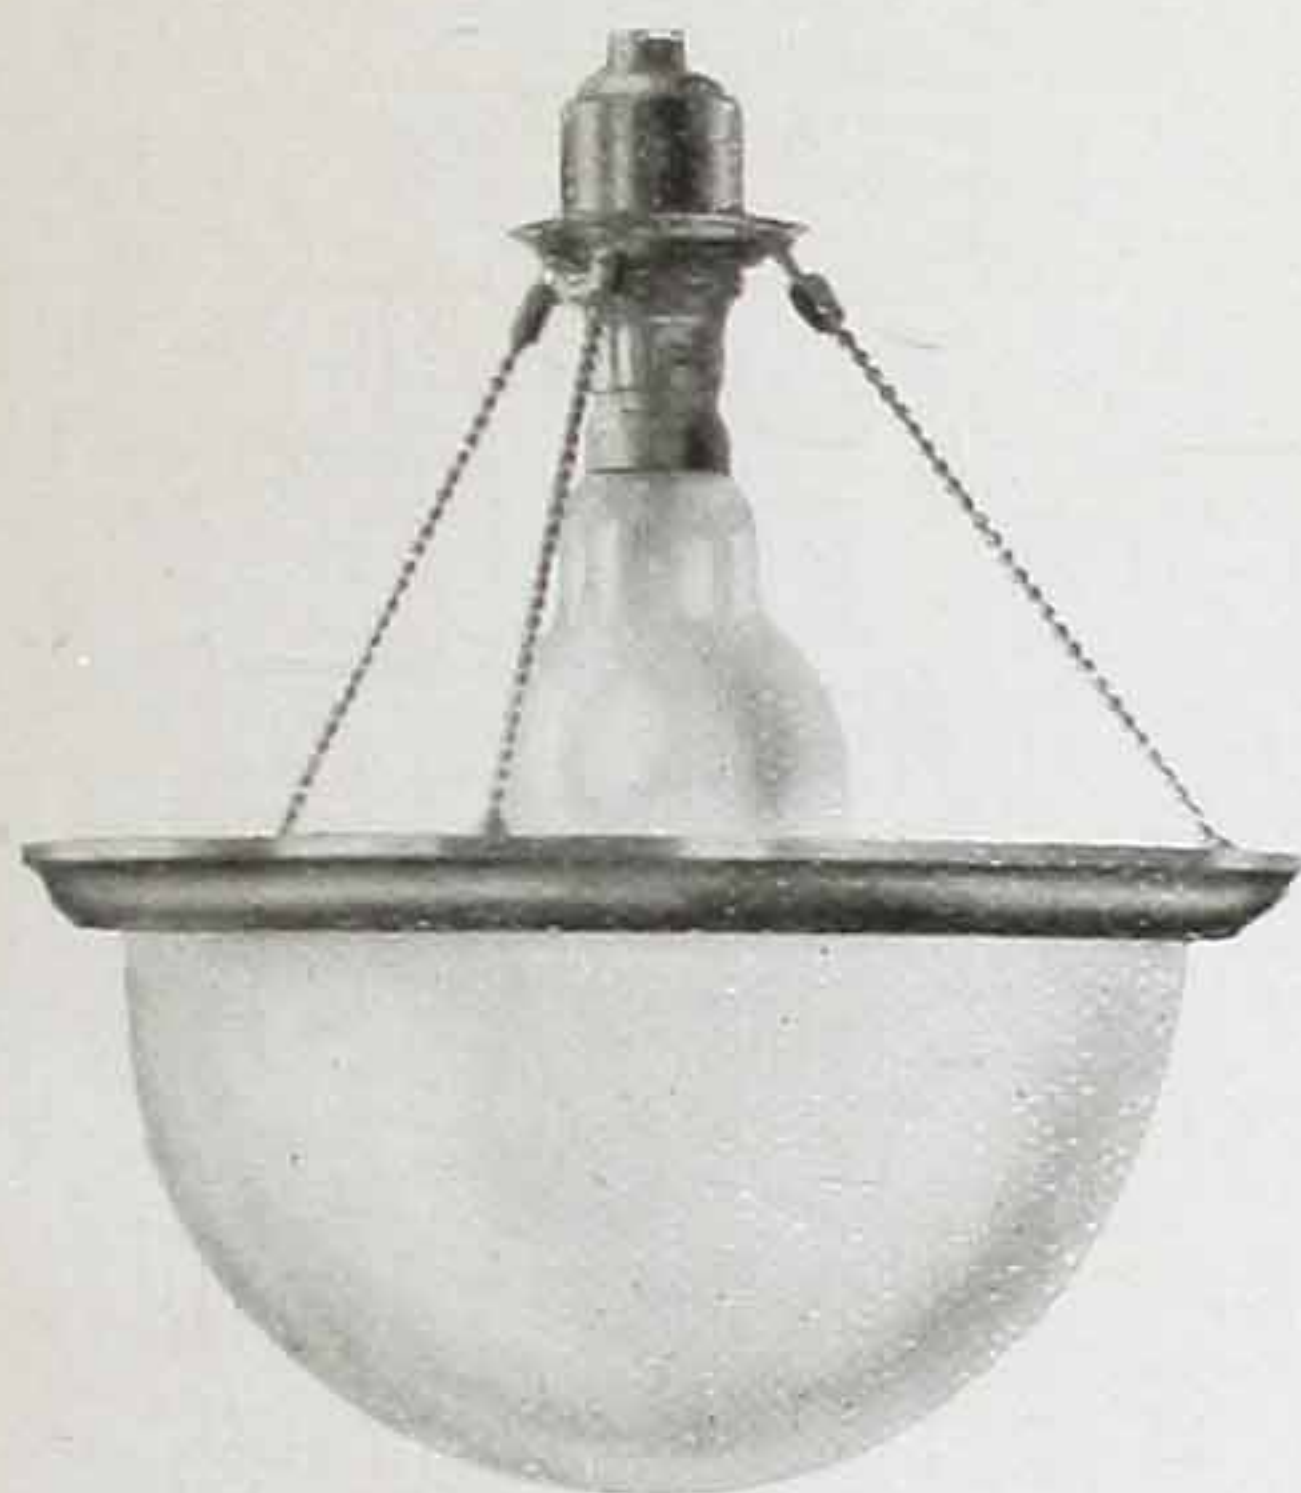

ELECTRIC Lighting Fixtures to be effective should be the joint production of the artist and the craftsman, in order that beauty may be embodied with utility.

The fixtures listed in this pamphlet are a combination of these two qualities, their graceful outlines being pleasant to the eye, whilst their efficiency from an illumination standpoint is high.

The prices will be found to be quite competitive, and the Fixtures are admirably suited for both Home and Office lighting.

The Edison Swan Electric Co., Ltd. are specialists in all types of decorative fixtures, and the services of their artists is always at clients' disposal for the designing of fixtures to harmonise with any style or period of decoration.

The "Enfield"

For Durability use Royal "Ediswan" Lamps.

THE ITALIAN CAFÉ,
Blackpool Tower Company.

The Fixtures shown in the above illustration were specially designed under the direction of the Architects, Messrs. Frank Matcham & Co., to harmonise with the style of decoration employed.

There are ten fittings in all, consisting of octagonal wooden frames, stained green in colour, with panels of various plain and coloured silks. Suspended from the lower part of the frame are eight banners to harmonise, with tassels between. The bowl in the centre is of white silk relieved with lightly figured designs, thus allowing the maximum of diffused light to be thrown in a downward direction. Each fixture is three feet in diameter, and is suspended by coloured silk ropes.

We have a staff of competent artists and designers which is always at your disposal for the preparation of Fixture designs to harmonise with any period or scheme of decoration.

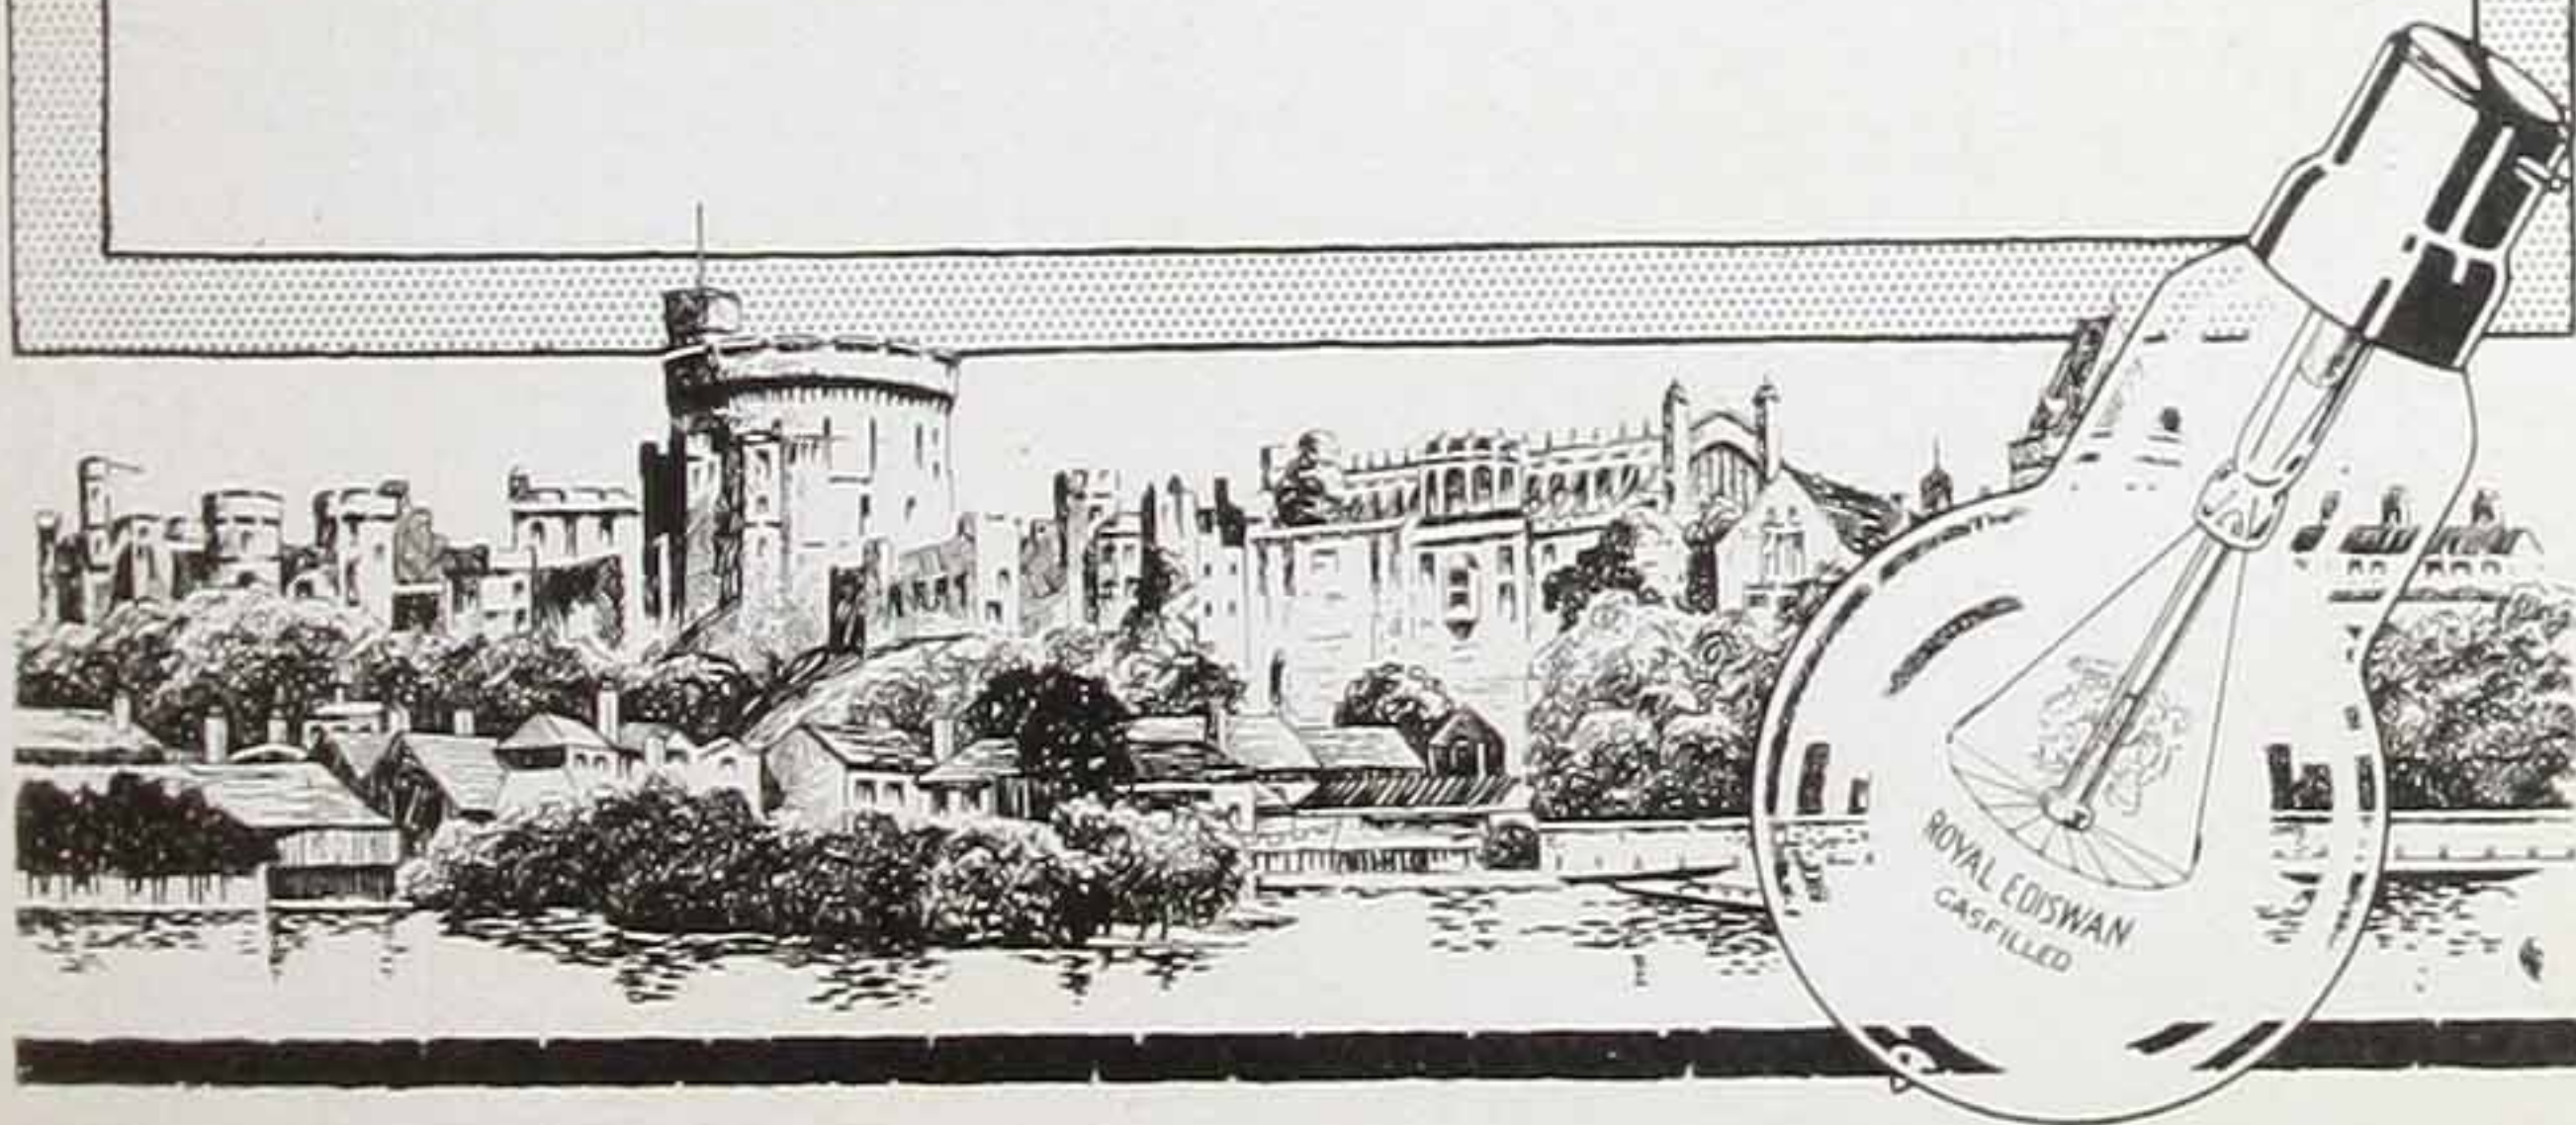

The Regal Light

Royal "Ediswan" Lamps bear the Royal Warrant—the hall mark of success.

Wherever the best is wanted, you will find Royal "Ediswan" Lamps installed. Their light is soft, white and brilliant. Curtains, pictures, fixtures and decorations have an added beauty under the soft glow of Royal "Ediswan" Lamps.

*Obtainable
from all
Electrical
Contractors,
Ironmongers
and Stores*

In addition they are most economical in the use of current and built to give long service under all conditions.
